2. MAYOR'S REPORT

Speech by the Executive Mayor, Cllr J Mothibe during tabling of the 2015/2016 Adjustment Budget

Hounarable Speaker, Cllr MF Mangoathe , Chief Whip of Council Cllr S Klaas: , Members of the Mayoral Committee, Wards Councillors, Municipal Manager and Members of the Senior Management Team, Community members, the Business fraternity, Friends from the media, Ladies and gentlemen

Budget adjustment

Honourable Speaker, allow me to present the budget adjustment for the financial year 2015/2016.

As the municipality we are still committed to government key priorities and the mandate given by the electorates. The focus on this budget adjustment is more on infrastructure development, upgrading or improving the existing infrastructure and revenue enhancement. The proposed Adjustment budget complies with the budget regulations, for which I must thank the Acting Municipal Manager, Acting Chief Financial Officer and his team for tremendous efforts.

The adjustment budget follows mid-year budget and performance review conducted on the 13th, 14th & 20th January 2016. The budget and financial performance of the municipality was assessed for the first half of the financial year taking into consideration the monthly budget statements. Adjustment follows robust discussions on programmes and projects adopted in the SDBIP wherein some have been adjusted based on progress thus far. The mid-year review pointed that there is a short fall in revenue collection on certain revenue sources

The Operating Revenue and the Operating Expenditure Budget remain unchanged from the approved budget

The following are salient points regarding the 2015/2016 adjustment budget:

- I. The adjustment budget meant to correct the over-expenditure on certain expenditure line items. Even though the total spending is within the projected limit.
- II. The total operating revenue and Operating expenditure remain unchanged from the approved budget. The two outer financial years remain unchanged as well.
- III. Virement or shifting of funds on other votes was applied in order to utilize potential savings realized on various expenditure votes to cater for the electricity bulk purchase.
- IV. Additional grant allocations and adjustments to existing grant allocations

V. The capital budget was increased with R26.6 million for 2015/2016 financial year. The increase is due to the following:

- There will be an additional **R2.8 million** for Refurbishment of DWA Networks resulting from rollover.
- **R900 000** from Provincial Government-(NW) for the Library Grant.
- **R20 million** for Maboloka Water Augmentation Project from MWIG.
- **R1.2 million** is for the Purchase of Land (Elandsfontein Farm), from Internal Funds.
- **R722 678** for Madibeng Car Wash, which will be funded from Internal Funds.
- **R1 million** for the Cosmos Ridge Sewer, from Internal Funding.

The Capital expenditure budget has been increased to R26.6 million from the previously approved budget. The Service Delivery and Budget Implementation Plan (SDBIP) has to be adjusted due to the realignment that has taken place on both the operational and capital expenditure budgets.

The proposed budget adjustment of Madibeng Local municipality totals R 1.831 billion comprising of R 1.512 billion for Operating expenditure and R319.1 million for Capital expenditure.

May I thank our Municipal Manager, Chief Financial Officer and his staff and all HODs, for devoting so much time and energy to the task of compiling the 2015/2016 Adjustment budget.

4. EXECUTIVE SUMMARY

Overview of the adjustment budget

The proposed budget adjustment of Madibeng Local Municipality totals R 1, 831, 308,193 comprising of R 1, 512, 169, 003 for Operating expenditure and R319, 139, 190 for Capital expenditure (see table 1 below). The adjustment is meant to cater for roll-over projects and to appropriate budget for additional grant allocation.

The Operating Revenue and the Operating Expenditure Budget remain unchanged from the approved budget. Under the Operating expenditure shifting of funds/virement was applied to provide for expenditure line item which exceeded the projected limit. It must however be noted that the total spending on the operating budget was within the projected limit and the adjustment is not meant to increase the Operating Expenditure budget. The Capital budget is increased by R26 678 190 from R292 461 000 to R319 139 190.

In view of the aforementioned, the following table is a consolidated overview of the proposed 2015/2016 Budget Adjustment:

(Table B8) - Cash Backed Reserves/Accumulated Surplus Reconciliation

1. The cash and investments at year end indicate that a surplus of R8.3 million from reconciliation between the available funding to the liabilities/commitments that exist.
2. Non-compliance with section 28 of the MFMA is assumed because a shortfall would indirectly indicate that the adjustment budget is not appropriately funded.
